Trustee – Fundraising

- Voluntary, unpaid role on our Trustee Board.
- Monthly Board meeting attendance required plus additional time to mentor and support the two Directors of Fundraising.
- Support the wider SMT and Trustee Board where required.

Our Mission Statement:

To provide, deliver and develop with integrity, transparency and pride, state-of-the-art emergency response air ambulances for the protection of human life across Yorkshire and its environs.

About the role:

Do you want to feel as though you are helping to save lives every day? When volunteering for YAA as a Trustee that is exactly what you will be doing! We are looking to appoint a new Trustee to join the highly respected Board of Yorkshire Air Ambulance (YAA) and to continue our exciting journey.

YAA is a lifesaving charity for the Yorkshire region. It exists to save lives by delivering highly skilled doctors and critical care paramedics, by air or rapid response vehicle to critically ill patients in the region. Together with its supporters, YAA pushes the boundaries in pre-hospital emergency medical care to measurably improve patient outcomes.

We are looking to appoint a new Trustee to the Board and we are particularly seeking individuals that bring current, live, relevant experience of fundraising, ideally in the charity sector, to complement the skills and backgrounds of existing Trustees. This role would also have direct line management responsibility for our two Directors of Fundraising. They will also be the voice on the Trustee Board for this crucial area and be able to represent the complexities of Fundraising to the board. As a collaborative and involved Board, we are seeking individuals who are genuinely interested in YAA and are prepared to spend time outside of Board meetings getting to know the organisation, supporting the Senior Management Team and being involved in events and fundraising activities. We are looking for people willing to bring energy, enthusiasm and commitment to the role, and who will broaden the diversity of thinking on our board.

If you would like to be part of this high-profile, successful regional Charity and think that your skills and experience fit the bill for this exciting role... we look forward to hearing from you!
